SUMMERVILLE MEN'S CHURCH SOFTBALL RULES

JANUARY, 2010

1. PLAYER ELIGIBILITY

- A. To participate in the Summerville Men's Church Softball League, a player must attend the church for which he is playing, but is not required to be a member of said church. Any person playing for a team other than the church of which he is a member must be attending the church for which he is playing. Any challenge to a player's eligibility must be written and will be checked by a commissioner calling the pastor of the church that is questioned.
- B. Two (2) players who are members of a church without a softball team can play with another church with a team in the league. The pastors of the two churches involved must sign an official church transfer form agreeing to the arrangement.
- C. Players must be at least sixteen (16) years old. Any player under eighteen (18) years old must have a waiver form signed by his parents/legal guardian to participate in the league.
- D. All players must be certified as eligible by their pastor/minister.
- E. No players can be added to a roster after mid-season unless a player moves into the area. Mid-season will be the same for all teams. Mid-season this year will be _____.
- F. A roster may contain no more than 27 players.
- G. Two or more churches may combine to form one team with the approval of the league commissioners.
- H. No player that was on the roster of another team in the league the previous year will be allowed to be added to the roster of another team once the original rosters have been submitted. Players switching teams within the same church will be handled by that church and no players will be allowed to switch teams once they have played in a game including any pre-season tournament games.
